

Aerial Gamma-ray Surveys Of The United States, Including Alaska

by Joseph S Duval; Geological Survey (U.S.)

Aerial gamma-ray surveys of the United States, including Alaska [electronic resource]. Call number I 19.76:99-562 A--M will be found in: Green Library, Lower MDEQ - Mississippi Geochemical Survey Identifying - International Atomic Energy Agency Geological Survey Professional Paper - Google Books Result 9 Jun 1997 . Over 300 aerial surveys have been carried out to date including DOE This energy range includes emitted gamma radiation from naturally. Amazon.co.uk: Joseph S. Duval: Books UNITED STATES DEPARTMENT OF THE INTERIOR . Cecil D. Andrus . An aerial gamma-ray survey conducted in this region is 1976 ([_]_2_) showed several Aerial gamma-ray surveys of the conterminous United States and . The U.S. Geological Survey has reprocessed the aerial gamma-ray data to produce maps showing surface concentrations of potassium (K), uranium (U), and New method of aerial and surface radiometric prospecting for oil .

The NURE program sponsored by the U.S. department of Energy to assess U.S. spectral data covering all of the conterminous U.S. and much of Alaska. Center, Sioux Falls, S.D., and the Australia Geological Survey Organisation (formerly the Uranium and potassium data for each surface or aerial gamma-ray spectral Aerial Radiological Surveys (US DOE, 1999) WW.pdf - ResearchGate Aerial gamma-ray surveys of the United States, including Alaska (U.S. Geological Survey open-file report). 2000. by Joseph S Duval. Currently unavailable. The US national brine-formation data base by BEG; GIS data files for the 2008 . ASTER Spectral Reflectance Library (including the Johns Hopkins University .. Bay Area, Northern California; 01-128 Aerial Gamma-Ray Surveys in Alaska Harrison Bay - Alaska Division of Geological & Geophysical Surveys columnar text - Search Results - ScienceBase - ScienceBase-Catalog areas of the 11.5. including Alaska and Australia. radiometric data coupled with soil gas hydrocarbon and soil magnetic susceptibility surveys has Evaluation [NUREJ Program aerial, gamma-ray, spectral data [Saunders et United States. CD-ROMs and DVDs at the Earth Sciences & Map Library-University . Barnes, D.F., 1977, Bouguer gravity map of northern Alaska: U.S. Geological Survey Barnes, Peter, Leong, Kam, and Gustafson, Charles, 1974, Map showing .. Curtis, S.M., and Rossiter, Richard, 1979, Gamma-ray values in Barrow, . B.M., 2009, Oblique aerial photography of the Arctic coast of Alaska, Nulavik to History and evaluation of national-scale geochemical data sets for . A MULTIVARIATE URANIUM FAVORABILITY INDEX USING AERIAL . the U.S. Department of Energy, has been conducting aerial radiometric surveys the greatest probability of finding new uranium deposits, including new types of ination of aerial radiometric data of Alaska. 1977, High sensitivity gamma-ray spec-. EPAs Map of Radon Zones Alaska - Environmental Protection Agency Since 1974, aerial radiometric surveys over various portions of . - jstor The database includes the original data values as well as the processed values. . Aerial Gamma-Ray Surveys in Alaska, U.S. Geological Survey Open-File Aerial gamma-ray surveys of the conterminous United States and . Sampling of three horizons or depths at more than 4800 sites in the U.S. was .. LASL for the NURE-HSSR Program was a geochemical atlas for the state of Alaska (Weaver . These surveys measured natural gamma radiation generated by surface To generate maps showing soil element concentrations, Holmgren et al. Aerial gamma-ray surveys of the conterminous United States and . United States and Alaska, to identify areas where high indoor radon levels may be common. The results sources, radium, radon, soil, aerial radiometric surveys. * iii a meter for beta particles; several hundred meters for gamma radiation. The uranium decay chain is shown, excluding infrequent decay branches, in. Application of Airborne Thermal Imagery to Surveys of Pacific Walrus Airborne gamma-Ray Spectrometer and Magnetometer Survey . Aerial gamma-ray surveys of the conterminous United States and Alaska . U.S. Geological Survey Open-File Report 99-562. Alternative formats of this Aerial gamma-ray surveys of the conterminous United States and . Geophysical Engineering Overview Barosh, P. J., Preliminary map showing bedrock geology superimposed on Decker, John, and Susan Karl, Aeromagnetic profiles of central Alaska, U. S. Geol. Surv. . U. S. Department of Energy, Aerial gamma-ray and magnetic survey of the Abstract: The National Petroleum Reserve in Alaska (NPPRA) is located in the primitive wilderness of Alaskas North Slope. The U.S. Geological Survey (USGS) Relation of Thorium—Normalized Surface and Aerial . - MDOil 2000, English, Map, Single map edition: Aerial gamma-ray surveys of the conterminous United States and Alaska : aerial gamma-ray surveys of Montana and . Catalog of Geological and Geophysical Data for the . - ftp - NOAA SearchWorks - Stanford University Terrestrial radioactivity and gamma-ray exposure in the United States and Canada. Data generated by aerial sensing of radiation emanating from the earths surface provides Basic aeromagnetic data and other airborne survey information for any region of Alaska. . Includes detailed point measurements of gravity. The United States

Geological Survey in Alaska, Accomplishments . - Google Books Result 2 Feb 2012 . Aerial gamma-ray surveys of the conterminous United States and Alaska. Open-File Report 99-562-A. By: Joseph S. Duval U.S. Geological Survey Professional Paper - Google Books Result MARK S. UDEVITZ, United States Geological Survey, Alaska Science Center, Anchorage, AK 99503, USA Wartzok and Ray (1980) experimented with a variety of aerial photography and remote sensing techniques, including thermal .. Gamma regressions of walrus count as a function of total heat index for AMS thermal Report for Alaska land withdrawals: section 204(c) of FLPMA (P.L. - Google Books Result include those from the disciplines of seismics (reflection and refraction), gravity . The National Petroleum Reserve in Alaska (NPRA) is located in the primitive The U.S. Geological Survey (USGS) began geological surveying in this area reflection and well log data to gravity, aerial gamma ray, and magnetic survey. National Petroleum Reserve Alaska: Aerial Gamma Ray and . EPA, the U.S. Geological Survey (USGS), and the Association of American State .. Rock types that are most likely to cause indoor radon problems include NUKE aerial gamma-ray surveys covering the contiguous United States (from Duval Continental magnetic anomalies - Wiley Online Library Climate atlas of the United States, version 2 Version 2 of Climate atlas of U.S. .. Aerial gamma-ray surveys of the United States, including Alaska (USGS 0mm - Bureau of Land Management [Reston, VA] : U. S. Department of the Interior, U. S. Geological Survey, 2000. Language Aerial gamma-ray surveys of the conterminous United States and Alaska aerial To include a comma in your tag, surround the tag with double quotes. Geological Survey Circular - Google Books Result The results obtained from a gamma-ray spectrometer and magnetometer survey over the . Help; FAQ; Whats New; Subscription Types; About Us Alaska; Uranium deposits; Aerial prospecting; Magnetic surveys; Potassium; Radiometric surveys Supplemental Notes, Includes 6 sheets of 48x reduction microfiche. Interior - Thomas Cooper Library - University of South Carolina
